A World of Opportunity

Awaits You

At

Magnolia Bible College

**MBC Will Give You
The Opportunity To:**

SERVE GOD

There are numerous ministry opportunities offered at MBC. Whether you are exploring the possibilities of pulpit ministry, youth ministry, foreign missions or some aspect of Christian education, Magnolia Bible College is the place for you.

We have a low student to teacher ratio which allows one to get more personal attention. MBC is proud of its thirty-year heritage of imparting sound, balanced Christian education.

Our faculty and staff are dedicated to helping men and women serve God more effectively.

SERVE OTHERS

Our Christian Service Program is a unique feature which sets us apart from a traditional liberal arts education or a school of preaching.

This program effectively combines academics and practical experience. This “hands on” training enables the student to put into practice that which is learned in the classroom. Each student gains experiences in educational ministry, youth ministry or local congregational ministries.

There will also be opportunities to serve others in various campaign efforts. Some campaigns are conducted in the States and some are conducted in foreign countries.

MBC can help you experience how it feels to take the Gospel “into all of the world” (Mk. 16:15)

SERVE YOURSELF

This heading may seem out of place and inappropriate, however the multitudes of those who are existing in a world of personal unfulfillment

and dissatisfaction would say otherwise. As humans we need to feel that what we are doing has meaning and purpose. We long to make a difference in the world.

Preparing yourself to lead others to Christ so that they can obtain the hope of eternal life is one of the most fulfilling experiences you can have.

Magnolia Bible College is the perfect place to find fulfillment and enjoy experiences that will last a lifetime.
